

California Wheat Certified Seed Dealers

2011/12 Wheat Certified Seed Buying Guide

This publication has been developed with the cooperation of the

University of California
and
California Wheat Commission

Research and testing of wheat varieties herein listed have been performed by the University of California's Statewide Small Grains Program, with supporting information from private seed companies. Data comparisons in this publication are for guidelines only. Most of the agronomic characteristics, disease reactions, grain yield, and test weight data presented herein are taken from the University of California's Regional Wheat and Durum Performance Tests conducted annually in California.
