Please note: The California Wheat Commission has tried to include all dealers that have certified wheat seed available to California growers. If there is a seed handler's name that is not included, please contact the Commission office at 530-661-1292 or info@californiawheat.org and every effort will be made to post changes and additions to the website and future printings.

2012/2013 Wheat Certified Seed Buying Guide

This publication has been developed
with the cooperation of the

University of California and California Wheat Commission

Agronomic characteristics, disease reactions, grain yield, and test weight data presented in this document are taken from the University of California's Regional Wheat and Durum Performance Tests, conducted annually in California. Proteins were tested at the California Wheat Commission Milling and Baking Laboratory and at the University of California (Intermountain region). Data comparisons in this publication are for guidelines only.
